CLIENT RECOMMENDATIONS

CLIENT RECOMMENDATIONS

Chester has a great personality and an affable nature. She is passionate about her approach to work. She seizes each and every challenge with tenacity and never backs down from difficulties. Whenever she hits any roadblocks, she will find a way through them or around them. Quitting is not in her vocabulary. Her enthusiasm is infectious. It is a joy working with her!

CLIENT RECOMMENDATIONS

I have had the pleasure of working with Chester as her supervisor at CareRev during her time as a customer support advocate. She has demonstrated an amazing ability to learn new skills quickly and has shown nothing but eagerness to take on new tasks. By asking thoughtful questions and providing valuable customer feedback, we were able to make improvements to our standard processes. She has become an asset in just 10 months and has collaborated efficiently with our team.
